*** UPDATE ***

It was really nice to see all of the ladies at the last meeting. Please come out more often. We'll try to make your visits enjoyable.

Don't forget, the August get-to-gether at Sue & Arnie's has been CHANGED to AUGUST 25th.

Our extraspecialguestspeaker at OLE TIMER'S NIGHT (November general meeting) will be K3NYN, RUSS MILLER. Tell your friends!

By popular request, we will have another TOOBING outing this year. AUGUST 11th. Contact Jinny, W3IIN for details. Everyone welcome. Rafts are available for smaller children and mommies.

This month's program will include a short video tape entitled "PHIL-MONT DOES DAYTON" narrated by Don, WB3KOJ. ALSO we will feature guest speaker Peter Kendal, from Chessel-Robocom Corp. in Newtown, who will present a fascinating demonstration of a Computer Aided Design (CAD) system running on an Apple computer. (All of you folks who like to sit in the back row should plan to sit closer to the front this time, or bring binoculars!) Large TV monitors will be used.

SEEEYOUATTHEMEETING!

de W3IIM

OLD BUSINESS

TVI RETREAT
30 YEARS AGO
JULY 1954

Visitors at the last meeting: W3QV, W3SGR.

New members: W3UXX, W3IGW, W3QKW.

The club provided communications for some balloon flights last month. Chase cars and base stations - including a mobile at Bowman's Hill Tower. Al, W3HYU, was (we think) the first "Balloon Aeronautical Mobile". We also covered the Delaware Boat Races again this year thanks to Al, W3GIF, and his gang. We're also helping the Atlantic City Radio Club cover the Shriner parades.

The annual picnic is scheduled for July 25th. at French Creek State Park.

Phil-Mont just suffered through its first Field Day. A grand time was had by all!. Final results not in yet, but they should go something like this: 80/75 - 188 contacts; 20,10 & 2meters combined - 110 contacts. Probable score 2400 points.

If somebody doesn't soon come up with a date for a transmitter hunt W3D\$G is going to stage one all by himself!

At every meeting you can read copies of other club's newsletters which are posted on the bulletin board. South Bend, Indiana sends us "Wheel Static" - "QRM" is from the Newport News/ Hampton, VA. club. Others are from the Delco and Reading clubs.

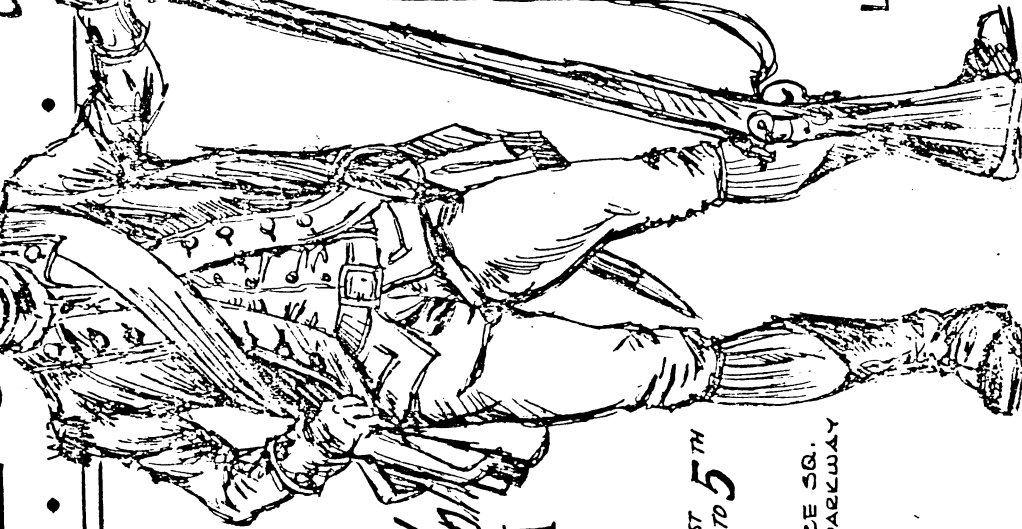

REMEMBER! All "6" stations, W6 K6, WA6, etc, will be permitted to use "23" or "84" in place of the "6" between July 1st and August 31st., thereby helping to celebrate the 1984 23rd Summer Olympiad.

(cont'd from pg 10) terday, he nor I have heard nothing. If it is so difficult for you(pl.) to drop us a line, how easy is it for us to put out this rag, month after
(cont'd page 9)

It's impossible to do justice to this month's issue using words alone. Thus, we are reproducing it in its entirety (reduced to save postage and printing costs).

JUNE 1984 -- GENERAL MEETING
(Minutes taken by WB3KOJ)

The 415th General Meeting, held on the 4th of June, was opened at 8:13 P.M., by KB3IV. WB3KOJ, substituting for WB3KOH, (AWOL AGAIN) read the minutes of the May Directors' Meeting which were approved. - W3IIN gave the Treasurer's Report (WE'RE SPENDING IT FASTER THAN WE'RE EARNING IT...THE AMERICAN WAY). Jinny requested that all ARRL Renewals be made through the club, so that we can benefit from the income. She also mentioned that Phil-Mont Tee Shirts are still available at \$5.25 each. (GET YOURS IN TIME FOR THE WET TEE SHIRT CONTEST) - W3VVS indicated that the meeting was attended by 31 members and 16 guests. Paul introduced: Mildred Stouth (XYL W3ZFP), Marion Bubeck (XYL K3GNM), Eunice Bohlander (mother of WA3KLR), Grace Smith (XYL K3GBA), Jackie Chedeville (XYL W3GQD), Roy Shade-N3AOD, Bruce Kirwan-KC3FC, Pat Gillespie (XYL KB3JW), Stella Tinaglia (XYL W3AWH), Marian Fox-WA3YJR (XYL W3AA), Walt Kenworthy-WA3IDQ, Betty Clifford (XYL W3UY), Al Schnipper-W3AYJ, Dee Moore-WA2NSA (XYL W2FUW), Betty King (XYL W3PXY) and the evenings guest speaker Buena Kowacz. - N3ADI said that DX was none existent. (HOW WOULD HE KNOW, HE'S BUSY EATING MUSSELS!) - W3BBB reported that Paddle-Rama will be July 21 & 22. Volunteers should contact Jim. - W3IIM outlined a few of the coming events: Arnie's Bath (BRING YOUR OWN SOAP) (8/25), September General Meeting (9/10) at WCAU, Family Night General Meeting & Planetarium Show (10/1), Old Timer's Night General Meeting -no dinner - 11/5 and the Gala 35th Anniversary Banquet - (FIRST PUBLIC APPEARANCE OF TWINKLE TOES [AWH]) (11/9). Jack then introduced the evenings entertainment, which was a film about the making of Fine China (THAT'S DISHES...NOT BY) and a very informative talk on home security, given by Buena Kowacz. The meeting was adjourned at 9:40 and fine refreshments were served.

JUNE 1984 DIRECTORS' MEETING

KB3IV opened the meeting, which was held at the home of W3's IIM & IIN, at 8:06 PM (ED WAS IN A HURRY) on Thursday the 14th. In attendance were: W3's PST, GQD, AA, IRS & BBB; K3's GBA & GNM; WB3KOJ & N3ADI. - The minutes of the June General Meeting were read and approved. (STOP THE IMPEACHMENT...I MADE A MEETING) - W3IIN gave the Treasurer's Report. (ALSO KNOWN AS DEFICIT SPENDING) A discussion, on the remainder of the 1984 budget, occupied the next twenty minutes. The current report was approved. - W3PST (IMPOSTOR...OUR EDITOR HAS A BEARD) was commended for his efforts in reducing the cost of the BLURB. - W3IIN introduced the membership application of Roy Shade, N3AOD, (W3BigFatMouth's only contribution to the club) the board approved the application. - N3ADI was thanked for his fine selection of door prizes. Mike reported that there was no DX. (AND TRIED TO ADJOURN THE MEETING) - W3BBB reported, "MOCOM fine, but out of money; Repeater, budget spent" and that he is working on the control circuit. - A motion was made and passed authorizing the sale of the old duplexers, with the proceeds of the sale going back into the capital account. (HOW ABOUT ATLANTIC CITY?) - KB3IV discussed Phil-Mont's participation at the IEEE Centennial Conclave, 10/6-10/9. The club is being asked to operate W3TKQ during museum hours. More information to follow. - W3IIM said that plans are

proceeding for the 35th Anniversary Banquet. The club will again hold a Tubing on the Delaware Party (SPECIAL TUBES HAVE BEEN ORDERED FOR AA & KOJ) on Saturday August 11. Contact IIM or IIN for information and reservations. - KB3IV indicated that there will be a Phil-Mont table at the PAC-RATS Hamfest in October. Any member wishing to DONATE items to the club, should contact N3DHI or KB3IV. Those members wishing to sell their own items on the table, must deliver the items to the table and they must be prepriced. The club will take a small (IT WON'T HURT MUCH) percentage on these items if they are sold. - N3ADI (FOR THE 5th TIME) made a motion to adjourn the meeting at 9:32. Refreshments were served. Thanks to our hosts, Jack & Jinny for their hospitality and to Hildy for the entertainment.

Respectfully Submitted,

Natalie Gordon - WB3KOH

(cont'd from page 3) month after month! (It goes without saying that W3IIM & N, and WB3KOH & J are excluded!!) After months(or is it years?) I did finally get a letter of criticism. For which I shouted "HOORAY!!" I don't mind. I've been around enough to know that I can't please everybody. But up until now, Sam and I don't really know if we have pleased anybody, but we do know that I've displeased somebody. So, take a moment, let us know how we stand, good or bad. A postcard?

page 9

THE FOURTH ANNUAL FREEDOM VALLEY BIKE-A-THON

Phil-Mont provided communications for this event held on Sunday, May 20, 1984. Director Jim Castellan has repeatedly stated that he could not successfully hold it without the type of radio operation that we are capable of performing. As in the past, medical emergency, bicycle repair and marshall assignment traffic was handled. Participating Phil-Monters includes W3UY, W3ZPP, W3IIN, KI3J, N3ADI, W3GQD, W3IIM, and W3SRU. It must be mentioned that WB3BOD had planned to operate, but, unfortunately, he was admitted to a hospital the day before.

THANKS TO ALL WHO PARTICIPATED ! de W3SRU

----- PHIL-MONT'S CALENDAR FOR JULY 1984 -----

- 01 2m BCS - W3AA
- 02 Regular Meeting - Come and see "Phil-Mont Does Dayton."
- 04 The one holiday that does NOT occur on Mondays, most of the time.
"INDEPENDENCE DAY!"
- 08 2m NCS - W3ZPP
- 15 2m NCS - WB3CMM
- 18 B of D's Meeting at WB3KOJ AND BLURB DEADLINE/DEADLINE!
- 21/22, and, maybe, part of the 20th - puddle-rama
- 22 2m NCS - W3SRU
- 29 W3BBB (somebody wake him up)

¶ Users of the latest Repeater Directory should note that the 6-meter band plan printed therein is not current. The latest 6-meter band plan as adopted by the ARRL Board of Directors appears in August 1983 QST, p. 72.

¶ Longtime QST "How's DX?" columnist Rod Newkirk, W9BRD, has been named to the CQ Magazine DX Hall of Fame in recognition of having "toiled in the vineyards of DX reporting for over 30 years."

DE THE ARRL LETTER

¶ The Special Service Club Manual has been sent to all SSCs, Affiliated Club Coordinators (ACCs) and Directors. The response from the field continues to be excellent as more and more SSC liaisons, officers and ACCs convey their thanks and congratulations to ARRL's Club Branch.

Please note that it is a program manual designed for use by SSCs and ACCs in meeting their commitments. The Special Service Club Manual is available to SSCs only. If your ham radio club is interested in attaining SSC status, contact your section's ACC. His or her address is available from your Section Manager.

DE THE ARRL LETTER

And from the rear seat - -

FEEDBACK - As a licensed radio operator, you know what that is. In an amplifier, it is not very desirable. But, in an oscillator it is highly desirable, yay, even necessary. And in our radio circles is not the only place one hears this chosen word. In medicine, there's bio-feedback as an aid in curing some ills. Feedback is a nice thing, if for no other reason, it let's you know where you stand in, oh, so many areas. Not the least of which is the redacting of a club newspaper. In the last issue, our cartoonist, Sam, made a special request for feedback about our cover. And as of yes-

(cont'd on page 3)

W5YI REPORT....

•HAM OPERATOR EXAM QUESTIONS•

A booklet containing the FCC Amateur Radio Operator Study Guide and all 1600 actual test questions for all ham classes (Novice through Extra) now available from: THE W5YI REPORT, PO Box #10101, Dallas, TX 75207 for \$2.00 plus 50 cents postage.

NOTE: The post office says to expect a 15% postage increase effective October 1st. A subscription increase (to \$21.00) is planned. Until then, you can renew at the \$18.00 rate for as many years as you want.

PIRATE AND CLANDESTINE BROADCASTING

Pirate broadcast station listening and clandestine QSLing are the SWL sets newest rage! Most of the clandestine stations are political or revolutionary in nature... the pirates usually not. Pirates (illegally) operate or the fun of it.

A new pirate broadcast station came on the air a couple of months ago using the call sign KQRP. QRP is a Q-signal meaning low power. It has been heard several times in the mid and southwest between 4960 and 7425 kHz in the early evening. Its April 23rd broadcast even included greetings to the FCC! They play music and "Dr. DX" is the DJ. They use a Michigan maildrop address and claim to be running 100 watts.

Another North American pirate calling himself the Voice of Communism is actually a dry wit spoof of Radio Moscow! They also use the same maildrop (Box 982, Battle Creek, MI 49016.) They have been operating around 7410 kHz. (For 17 rubbles you can get the announcer's picture!) We certainly are not condoning any of this! It seems to be proliferating.

A new book has just been published by Thomas P. Harrington (W8OMV) of Columbus, Ohio, entitled "Clandestine Confidential." It is the first manual on the mechanics of tuning in covert shortwave stations around the world. (\$8.95 plus \$1.75 postage/handling. 4555 Groves Road, Suite #3; zip: 43232)

•Wayne Green (W2NSD/1) has formed a new division to operate computer software and supplies stores. Called WGE Distributors, Inc. (for Wayne Green Enterprises), the subsidiary will distribute software, briefcase-size computers and other equipment throughout New England. Green also owns the "Software Plus" stores. "80 Micro" magazine owned by CW Communications/Peterborough - the outfit that bought out Green's publishing empire - recently put up an electronic bulletin board containing various games and other computer programs. Phone number is (603) 924-6985. Rumors are that Wayne Green will apply for Region 1 VEC through his college and ham club.

•The Texas VHF Society has issued a call for interested parties to comment on a proposal to change the 2 meter band plan from a 15 KHz to 20 KHz spacing.
